

Drink Up: By the Numbers

"Following a campaign that featured two public service announcements seen 700 million times over a 15-week period throughout the U.S. - in 15,000 stores, doctors' offices, gas stations, malls and other highly trafficked places - newly released data demonstrates that Drink Up is encouraging consumers to embrace water's benefits."

—Forbes, "A Refreshing (and Successful) Approach to the War on Obesity," April 29, 2014.

America's water consumption increased by more than
68 MILLION Servings**
From Q4 2013 to Q2 2014
